He talked with AMBS representatives regarding a Bible Study "*Orienting with the Word*", a new program developed by AMBS's **Faith Formation Collaborative** to build community and biblical competency through Bible study. Here's a description of the program from AMBS website:  
*"For the five-month program, each participating congregation designates a small group to explore how their relationship to the Bible has formed them and to learn Confessional Bible Study — a life-giving practice that helps communities make the Bible an indispensable tool for navigating the ever-changing landscape of daily living. While two representatives from the group (a pastor and layperson) attend an in-person Confessional Bible Study Retreat and Training Seminar, no other travel is required for the program.  
Cohort One is in progress. **Cohort Two runs January 1 – May 17, 2026, with the Retreat and Training Seminar to be held March 12–14 at AMBS in Elkhart, Indiana. The program is free to participating congregations. [Apply by November 15!](#)"***
